Table Tennis Dreams

Rachel Wang

Table Tennis Dreams (TTD) is a 501(c)(3) nonprofit organization founded by Rachel Wang in June 2023 with the mission to grow the table tennis community and help kids reach their optimal skill level. With members across the nation, TTD has volunteer-coached hundreds of kids in beginners' group lessons (like CITTA's), hosted/sponsored tournaments such as the 2023 & 2024 North Carolina State Championships, and led a series of sports psychology seminars to train young athletes' mentalities. Rachel also started the first-ever table tennis club at her school -- something she encourages all table tennis lovers to do! To learn more about or donate to Table Tennis Dreams, visit tabletennisdreams.org or reach out to tabletennisdreams@gmail.com.
